## MINUTES OF ALSSC ANNUAL MEETING WITH MEMBER CLUB COMPETENT OFFICERS AND REPRESENTATIVES

Friday 18<sup>th</sup> April, 2014, at 7.28pm.

**Bulla, Victoria.**

### **Attendance:**

Forty-five as per the circulated attendance sheet.

### **Apologies:**

Alf Grigg, ALSSC Secretary.

### **Confirmation of Minutes of 2013 Meeting:**

Moved Roger Kershaw, Orange, seconded David Proctor, Orange. Carried.

### **Business Arising:**

None, since there were no new consultation items.

### **Report on Committee Business and Activities in 2013:**

During 2013, 'Speed as a hazard' and 'air fittings for steaming bays (update)' were added to the CoP on the website.

### **Report on Consultation Program on Code of Practice Key Issues:**

1. Send in items for consultation.
2. There was nothing on the agenda for the meeting.
3. WH&S – all States except Victoria and Western Australia have now adopted the national roll-out of the model rules.

### **General Business**

1. David Smith, Logan: Do Qld WH&S guidelines apply to AALS clubs? No, one must self-manage by following the CoP to demonstrate due diligence and act safely. They are important to us because they provide the legal limits of the regulations on our operations.
2. John Wakefield, Morphett Vale: What happened to the speedo fitting item? There was no support for it as a consultation item, but individual clubs need to assess their own requirements (following inclusion of speed as a hazard last year) and they may decide to have them. The Code would support this.
3. Warwick Allison, the Chairman, reminded clubs to write if there are items for consultation and that the CoP is online.

**Meeting closed at 7.37 pm.**

**Warwick Allison, Chairman, ALSSC.**

**Hugh Elsol, Acting Secretary.**
