Annual Report of the Australian Live Steamers Safety Committee

This report constitutes a summary of business as conducted by the Safety Committee up to December, 2014, at which time the report had to be submitted for distribution to member clubs in advance of the 2015 AGM of the AALS.

As of the 2014 AGM, the Safety Committee consisted of Warwick Allison, Chairman, and Alf Grigg as secretary.

The Safety Committee fulfilled the normal correspondence tasks of the committee. Responses to general queries from clubs have been given. Draft documents providing guidance on matters of tunnels and bridges, and the new Work Health and Safety regulations are in the course of preparation.

No consultation process was undertaken in 2014 given no key safety issues being proposed by the Safety Committee and AGM meetings at the 2014 Convention.

The Committee remains committed to fully consulting with member clubs, and to empowering clubs to fully manage the implementation of the Code.
